Mr. Taylor—

I faxed you a letter on Tuesday asking you to call me about the Dellafosse case. Your assistant called me and gave me your correct email address and told me that she would give you my message and have you call me when you returned to the office yesterday afternoon. I have not yet heard from you.

As you know we have a Joint Case Management Conference Statement due tomorrow. I have been working on a draft, but it is not yet ready to be emailed to you. I intend to complete it before I leave the office this evening.

Please reply to this message to confirm that you will be able to review and make proposed edits to the draft by noon tomorrow so that we can be sure we have a statement that we are both in agreement with by 4pm tomorrow.

Also, please respond to my request that you dismiss the County from this lawsuit that was contained in the letter that was faxed to you on Tuesday.

Thank you for your anticipated prompt attention to these matters.

Andrea S. Carlise
